### **III. STATEMENT OF FACTS**

#### **A. Facts Common to All Causes of Action.**

16. On March 23, 2020, Daniel Prude’s family sought help from the Rochester Police Department (“RPD”) as Daniel was suffering an acute mental health crisis. Tragically, that call for help ended with Daniel naked and handcuffed with his face covered by a “spit hood,” as an RPD officer pushed his head into the freezing asphalt for several minutes. RPD officers on the scene mocked Daniel and chatted with each other while he asphyxiated. Daniel was declared brain dead that night; he was taken off life support and died on March 30.

17. When the video of RPD Officers killing Daniel Prude was finally made public on September 2, 2020, it sparked nationwide outrage. In Rochester, thousands of people gathered to mourn the loss of Black lives, demand the CITY finally end its racist and brutal policing practices, and call for new visions of public safety that value Black lives.

18. On September 2-6, 2020, the defendants responded to peaceful protests with extreme violence—including the indiscriminate use of tear gas and pepper spray, 40 millimeter blunt-impact projectiles, thousands of pepper balls, flash-bang grenades and other supposedly “less-than-lethal” munitions.

#### **Friday September 4 to Saturday September 5, 2020**

19. On September 4, RPD officers and Sheriff’s Deputies used the Court Street bridge to “kettle” protesters, spray them with tear gas, and attack them with pepper balls—a scene tragically reminiscent of the 1965 “Bloody Sunday” attack on civil rights demonstrators on the

Edmund Pettus Bridge in Selma, Alabama. Videos from that night show heavily armored phalanxes of police using pepper balls, 40mm kinetic bullets, tear gas, and batons to assault diverse groups of protesters outfitted only with umbrellas, cardboard boxes, and plastic children's sleds against the Defendants' military-grade arsenal but who nevertheless assembled to protest for racial justice and reformed policing.

20. RPD officers first escorted peaceful protesters along Court Street from Martin Luther King Jr. Memorial Park towards the Public Safety Building ("PSB") and directed them onto the Court Street Bridge. But when protesters reached the other side, law enforcement stopped them with metal barricades.

21. After hundreds of protesters had marched onto the bridge and had nowhere to go, the police ordered the protesters to "disperse." However, the dispersal orders were not clearly communicated, and the protesters towards the back of the bridge near South Avenue could not hear the dispersal orders. Moreover, there was nowhere for the protesters in the front near the police barricades to go.

22. Suddenly, without giving the protesters the time or opportunity to disperse—and *knowing it was physically impossible for them to comply with the dispersal orders*—law enforcement officers began violently attacking protesters. In fact, the RPD Officers began indiscriminately firing pepper balls into the crowd less than 30 seconds after the first "dispersal" order was issued at approximately 10:43 p.m.

23. Mr. HILDERBRANT was present near the "front line" of protesters, and he was forced to turn his wheelchair around to protect himself from being shot in the face with pepper balls.

24. RPD officers and/or Sheriff's Deputies subjected Mr. HILDERBRANT to a large amount of chemicals weapons.

25. At approximately 10:47 p.m., Mr. HILDERBRANT was violently seized, thrown to the ground and handcuffed and arrested by DELDUCA, REAVES, MAZURKIEWICZ, DIPAOLA and other RPD officers.

26. DELDUCA, REAVES, MAZURKIEWICZ, and DIPAOLA violently shoved and struck Ms. HILDERBRANT, and threw his chair to the to the ground, without cause or justification.

27. DELDUCA, REAVES, MAZURKIEWICZ, DIPAOLA failed to complete a Subject Resistance Report documenting the force used against Ms. HILDERBRANT, in violation of RPD policy.

28. An RPD officer grabbed Mr. HILDERBRANT'S left arm and dragged him approximately ten feet across the pavement.

29. REAVES and other RPD officers then placed handcuffs on Mr. HILDERBRANT's wrists and placed him back into his wheelchair.

30. REAVES and other RPD officers then wheeled Mr. HILDERBRANT in his wheelchair to the PSB.

31. The RPD officers informed Mr. HILDERBRANT he was arrested for disorderly conduct and unlawful assembly.

32. At no time did Mr. HILDERBRANT commit any crime or violation.

33. No reasonable officer would have believed that, considering the totality of the circumstances, they had reasonable or probable cause to detain and arrest Mr. HILDERBRANT.

34. REAVES and other RPD officers lacked cause or any lawful basis to use force against Mr. HILDERBRANT—let alone violently seizing him, throwing him from his wheelchair to the ground, and dragging him approximately ten feet across the pavement.

35. After he arrived at the PSB, Mr. HILDERBRANT began the booking process. His fingerprints and photograph were taken.

36. Mr. HILDERBRANT was told that he would be transported to a location in Henrietta to complete the arrest processing.

37. Mr. HILDERBRANT asked the RPD officers how they were going to transport him to Henrietta, and informed them that he needed to be transported in a wheelchair accessible vehicle.

38. The RPD officers responded that they did not know how they were going to transport him to Henrietta.

39. Throughout the approximately two hours that he was detained at the PSB, the RPD officers had several more conversations about how Mr. HILDERBRANT would be transported.

40. Eventually, after approximately two hours, at approximately 1:00-1:30 a.m., Mr. HILDERBRANT was released from custody from the PSB without being charged with a crime.

41. Mr. HILDERBRANT's First Amendment Rights were violated, and his speech was curbed and hindered, as a result of being assaulted, battered, subjected to excessive force and falsely arrested by Defendants.

42. Defendants' unlawful actions towards Mr. HILDERBRANT were motivated by the message he was expressing: calling for greater police accountability, a reallocation of

funding from away from police departments and into Black and Latinx communities, the end of police brutality, and a recognition that Black Lives Matter.

43. Defendants' actions effectively chilled and deterred Mr. HILDERBRANT from exercising his First Amendment Rights, as he was prevented from further protesting on the night of September 4-5, 2020 when he was arrested; and the excessive violence and false arrest he was subjected to chilled and deterred him from engaging in future protests, for fear of being subjected to similar unlawful actions by law enforcement.

**B. Unlawful Municipal Policies and Negligence of the City And RPD in Failing to Properly Train RPD Officers On The Proper Handling of First Amendment Assemblies, and In Failing to Supervise and Discipline Officers Who Used Excessive Force Against Protesters.**

44. For months before the body worn camera video of RPD officers brutally killing Daniel Prude was released, the CITY and RPD anticipated and planned for large-scale protests when the video was eventually released.

45. From the very beginning, the City and RPD officials zeroed in on the fact that, unlike other protests, these were focused directly on police misconduct and racism. City and RPD officials at the highest levels subscribed to the theory that Black Lives Matter protests are led by a nationwide conspiracy of outside agitators bent on violence.

46. This manifested in the training of their officers, both before and since, that nonviolent protestors will stand in front to shield violent protestors who throw objects from behind them, and that not everyone standing with their hands up is peaceful. That training conveniently justifies and encourages suppressing all protestors by collectively punishing nonviolent ones. The message to their officers was clear: there is no such thing as a peaceful protestor.

47. During those several months—from at least June 4, 2020 to September 2, 2020—the CITY and RPD developed a protest response plan that included responding to peaceful

protests with extreme violence; using military-grade weapons against protesters; using overwhelming amounts of chemical weapons against groups of protesters, without making individualized determinations that probable cause existed to believe that any individual within the group had committed a crime or violation; and otherwise to retaliate against protesters based on their objection to the message protesters were expressing.

48. The violations of Mr. HILDERBRANT's rights are attributable to the CITY and RPD's disregard of many years of notice, criticism, and other relevant data points, both internal and external, related to its unconstitutional policing of similar peaceful protests and peaceful demonstrations.

49. Since at least the 2009, the RPD has failed to appropriately train its officers on the proper handling of First Amendment assemblies, including peaceful protests and lawful demonstrations.

50. Upon information and belief, the core training provided by the CITY related to protest response is based on crowd management and disorder control tactics for policing large-scale civil disorders and riots.

51. According to the CITY's website, the RPD's Mobile Field Force (MFF) is a "specially trained and equipped team providing a rapid, organized and disciplined response to civil disorder [and] crowd control."

52. The MFF was the RPD's primary unit tasked with policing the peaceful protests in the wake of George Floyd and Daniel Prude in May and September 2020, respectively, and on the night of September 4-5, 2020 specifically.

53. Upon information and belief, the MFF's training and guidelines treat peaceful protests and peaceful demonstrations as military engagements and copies military tactics and

focus on tactics designed to deter, disperse, and demoralize groups, such as disorder control formations and mass use of chemical weapons.

54. Such disperse and demoralize tactics have persisted through the present as exemplified by the experiences of Mr. HILDERBRANT.

55. Upon information and belief, the MFF’s “civil disorder” training and guidelines were never meant to be guidelines for the policing of lawful First Amendment assemblies such as demonstrations—only for large-scale civil disorders such as riots.

56. However, neither the MFF’s “civil disorder” training and guidelines, nor, upon information and belief, any related RPD training, contain meaningful direction on the core First, Fourth, or Fourteenth Amendment principles that must guide constitutional policing of First Amendment assemblies.

57. For example, upon information and belief, there is virtually no RPD training—and certainly no meaningful RPD training—focusing on how to utilize the tactics described in the MFF’s “civil disorder” training and guidelines without infringing on the constitutional rights of protesters, such as how to make probable cause determinations or the requirements of providing an alternative avenue of protest, meaningful time and a path of egress when issuing a dispersal order, and the like.

58. Many MFF members have histories of engaging in the kinds of misconduct complained of herein, among other places, by CRB complaints, PSS investigations and in lawsuits.

59. Examples of the RPD’s unreasonable and discriminatory use of force at prior lawful protests include:

- In October 2009, an anti-war protest in Rochester resulted in several physical confrontations, with two protesters receiving stitches at the hospital after RPD officers pushed them face-first to the ground, and 12 protesters arrested for exercising their First Amendment rights. The peaceful march, held in the early evening, was interrupted by approximately forty RPD vehicles. Within three minutes of giving the order to disperse, RPD officers began to shove and hit protesters with clubs and deploy pepper spray. Protesters described RPD officers wading through the crowd to pick out Black students to arrest. A press videographer who was filming one such arrest was wrestled to the ground by police and himself arrested.
- In May 2015, Katrina Perkins was protesting police brutality on a public street in a residential neighborhood, where two of her daughters and six of her grandchildren reside. Though Ms. Perkins was peacefully demonstrating, RPD officers violently seized and arrested her and then charged her with disorderly conduct and disruption. Those charges were dismissed two months later. Police brutality is a deeply personal issue to Ms. Perkins, as her daughter Lashedica was the 13-year-old shot three times by former-Deputy Chief Simmons in 2005.
- In July 2016, in Rochester as across the nation, people took to the streets to uphold the sanctity of Black lives and call for an end to racist policing. In response, the RPD deployed, beat, shoved, and pepper sprayed protesters. As one described it: “I started to turn and they tackled me to the ground....They’re beating citizens for no reason whatsoever. I wasn’t doing anything. I was taking pictures.” RPD officers, in keeping with their pattern and practice, particularly targeted Black protesters with unlawful force, including Black journalists: Carlet Cleare and Justin Carter of WHAM-TV were

both handcuffed and detained, even though Ms. Cleare was wearing a WHAM-TV shirt and they identified themselves as members of the press. Over the course of one weekend, Rochester had more arrests at its BLM protest (74) than the rest of the nation combined.

60. Despite the wealth of evidence of RPD members' historical brutality against protesters, Defendant City has ignored, and/or failed to utilize, relevant information, including information gleaned from reports and lawsuits, as well as other data points, to identify deficiencies in RPD training as it relates to constitutionally compliant protest policing.

61. In fact, following the 2016 protest, the RPD and Mayor Lovely Warren's office stated the police handled themselves appropriately.

62. When questioned by public officials after the September 2020 protests, former RPD Chief La'Ron Singletary stated that he did not review the RPD's actions at the 2016 protest in developing the RPD's strategy for responding to protests in 2020.

63. The City and RPD's failure to train and improper training led to widespread excessive force at the 2020 protests, as demonstrated by RPD officers body worn camera videos, media reports, and RPD subject resistance reports. However, Based on statements by City Officials and RPD command staff to date, and publicly available information, no RPD officer has reported any fellow officer for their unlawful use of force and no RPD officers have been disciplined for their unlawful use of force on September 2, 3, 4 or 5, 2020.

64. The City and RPD did not simply ratify excessive force through the lack of reporting and discipline. It approved the force during the demonstrations because its policies authorized these excessive levels of force. RPD training on grenadier, MFF, and crowd control tactics, as well as its subject resistance reports, show that tear gas, pepper spray, projectiles, and

grenades were supplied by superiors and deployed on their orders pursuant to RPD policies on use for force. There appears to have been no consideration given to whether such force would be excessive to secure compliance with traffic laws or enforce violations or misdemeanors against nonviolent protestors.

65. In summary, upon information and belief, the RPD's exclusive focus on deterring, dispersing, and demoralizing in trainings related to policing protests, coupled with the failure to train on specific, relevant aspects of constitutional policing of protests, let alone how to encourage or facilitate protests—despite having received clear notice that RPD policing of protests has caused the systemic violations of protesters' constitutional rights for years—demonstrates the City's negligence in failing to train and supervise RPD Officers in properly and lawfully policing protests to ensure that protesters' rights under the First Amendment, Fourth Amendment, Fourteenth Amendment, and other, related rights are not violated. As a result of the City's negligence, Plaintiff was injured and harmed, as described herein.

**C. Unlawful Municipal Policies and Negligence of the COUNTY and Sheriff BAXTER in Failing to Properly Train Sheriff's Deputies On The Proper Handling of First Amendment Assemblies, and In Failing to Supervise and Discipline Sheriff's Deputies Who Used Excessive Force Against Protesters.**

66. Upon information and belief, for months before the body worn camera video of RPD officers brutally killing Daniel Prude was released, the COUNTY and BAXTER coordinated with the CITY and RPD to prepare for and plan their coordinated response to the anticipated large-scale protests when the video was eventually released.

67. From the very beginning, the BAXTER and other COUNTY officials zeroed in on the fact that, unlike other protests, these were focused directly on police misconduct and racism. Like the City and RPD officials, BAXTER and other COUNTY officials at the highest

levels subscribed to the theory that Black Lives Matter protests are led by a nationwide conspiracy of outside agitators bent on violence.

68. This manifested in the training of their Sheriff’s Deputies, both before and since, that nonviolent protestors will stand in front to shield violent protestors who throw objects from behind them, and that not everyone standing with their hands up is peaceful. That training conveniently justifies and encourages suppressing all protestors by collectively punishing nonviolent ones. The message to their Sheriff’s Deputies was clear: there is no such thing as a peaceful protestor.

69. Upon information and belief, during those several months—from at least June 4, 2020 to September 2, 2020—the CITY and RPD coordinated with the COUNTY and BAXTER to develop a coordinated protest response plan that included responding to peaceful protests with extreme violence; using military-grade weapons against protestors; using overwhelming amounts of chemical weapons against groups of protestors, without making individualized determinations that probable cause existed to believe that any individual within the group had committed a crime or violation; and otherwise to retaliate against protestors based on their objection to the message protestors were expressing

70. Prior to September 2020, the COUNTY and BAXTER had received clear notice that peaceful protests and lawful demonstrations have occurred and will continue to occur in Monroe County, and that without proper training, his Deputy Sheriffs would violate individuals’ constitutional rights and endanger the life and safety of protestors, such as Plaintiff.

71. The COUNTY and BAXTER deliberately disregarded the fact that peaceful protests and peaceful demonstrations have occurred and will continue to occur in Monroe County, and instead has trained his Deputies that such lawful First Amendment activities constitute “civil disturbances” that must be policed in the same manner as “violent mobs” or “riots.”

72. The COUNTY and BAXTER, upon information and belief, took no steps to train Sheriff's Deputies on lawfully policing protests and other First Amendment activities.

73. Instead, the COUNTY and BAXTER, pursuant to the County's Hazard Mitigation Plan, trained Sheriff's Deputies that a "civil disturbance" is defined as both "peaceful demonstrations or acts of violence."

74. Upon information and belief, the Hazard Mitigation Plan was in full force and effect at all times relevant herein.

75. Upon information and belief, prior to 2020 and at all times relevant herein, the COUNTY and BAXTER had implemented the Hazard Mitigation Plan, and trained Sheriff's Deputies in accordance with its mandates. Thus, the COUNTY and BAXTER explicitly conflate peaceful protests and peaceful demonstration with violent riots.

76. Upon information and belief, the COUNTY and BAXTER did not provide any training to Sheriff's Deputies on drawing a meaningful distinction between "peaceful demonstrations" and "violent mobs". For example, in its "Hazard Mitigation Plan," the County states that, "Many civil unrest incidents are spontaneous and can occur at any time, rendering prediction of probability of future occurrences difficult. When these incidents occur, they can become extremely disruptive and difficult to control. Assumedly, civil unrest incidents including marches, protests, demonstrations, and gatherings will continue to occur throughout Monroe County."

77. According to the Hazard Mitigation Plan, peaceful protests and demonstrations are discouraged because of the perceived negative impacts on property resources, real estate and the economy; again, this is a result of the COUNTY and BAXTER falsely conflating "peaceful demonstrations" and peaceful protests with "acts of violence."

78. Upon information and belief, the COUNTY and BAXTER do not provide any training to Sheriff's Deputies on how to encourage and support individuals engaging in "peaceful demonstrations" to ensure that their constitutional rights are not violated by law enforcement officers.

79. Upon information and belief, the COUNTY and BAXTER do not provide any training to Sheriff's Deputies on making a meaningful distinction between how Sheriff's Deputies are trained and instructed on policing "peaceful demonstrations", "peaceful protests" versus "violent mobs" and riots.

80. Instead, the Hazard Mitigation Plan states that, "[m]any protests intended to be peaceful demonstrations to the public and the government can escalate into general chaos." Thus, upon information and belief, the COUNTY and BAXTER train Sheriff's Deputies to police peaceful demonstrations in the same manner as they would a violent mob.

81. Like the RPD, upon information and belief, BAXTER trains Sheriff's Deputies exclusively on deterring, dispersing, and demoralizing protests and peaceful demonstrations.

82. In June 2020, several Monroe County Legislators called on BAXTER to implement new protest training to ensure the safety of protesters at Black Lives Matter demonstrations. The legislators drafted a letter to County Executive Adam Bello and BAXTER in which they made a number of requests related to public safety and the safety of protesters, and closed by stating, "Once again, we believe the safety of both protesters, motorists, and law enforcement is of the utmost importance. Right here in Monroe County and across the Nation, we have seen the negative results when leaders are reactionary rather than proactive. Please be sure that a plan is in place to ensure the mutual safety of all involved."

83. BAXTER claimed the letter was a “political stunt” and refused to provide any specific details regarding how Sheriff’s Deputies would ensure the safety of protesters during peaceful demonstrations

84. As a result of the COUNTY’s unlawful policies, practices and customs, and BAXTER’s negligence, Plaintiff was injured and harmed, as described herein.

**NINTH CLAIM FOR RELIEF**

**Negligent Training, Supervision and Discipline**

**(Against BAXTER)**

150. All preceding and subsequent paragraphs are incorporated by reference.

151. Defendant BAXTER was negligent in the training, supervision and discipline of the Defendant Sheriff's Deputies, who were provided, upon information and belief, no training for policing protests, engaging in peaceful crowd control, or how to properly and safely use the "less lethal" weapons.

152. Alternatively, the training BAXTER provided to the Sheriff's Deputies was inadequate.

153. Moreover, despite their use of extreme and excessive violence against protesters on September 2-6, 2020, BAXTER was negligent in failing to supervise or discipline any of his Sheriff's Deputies related to any force used protesters on those nights prior to Plaintiff's injury. BAXTER's negligence was the direct and proximate cause of Plaintiff's injuries.

154. BAXTER's negligence in failing to supervise and discipline his Sheriff's Deputies was the direct and proximate cause of Plaintiff's injuries.

155. As a result of the foregoing, Plaintiff suffered injuries and damages.

**TENTH CLAIM FOR RELIEF**

**Negligent Planning of the Protest Response**

**(Against BAXTER)**

156. All preceding and subsequent paragraphs are incorporated by reference.

157. Defendant BAXTER was negligent in planning the response of his Sheriff's Deputies to the protests.

158. BAXTER had a special duty to ensure that the rights of Plaintiff and other protesters to free speech, expression and to assemble under the First Amendment to the United States Constitution, and Article I, section 8 of the New York State Constitution, were not violated, and that protesters were not assaulted, battered, subjected to excessive force and/or falsely arrested by law enforcement.

159. BAXTER breached his duty to keep demonstrators safe by, among other things, implementing a protest response plan that instructed his Sheriff's Deputies that Black Lives Matter protests are led by a nationwide conspiracy of outside agitators bent on violence; this manifested in the training of Sheriff's Deputies that what seem to be peaceful demonstrators are a shield deliberately sent to the front lines to screen the throwing of objects from the rear. That training conveniently justifies and encourages suppressing all protestors by collectively punishing nonviolent ones. The message to their officers was clear: there is no such thing as a peaceful protestor.

160. BAXTER breached his duty to Plaintiff and other protesters by implementing a protest response plan that violated the rights to free speech, expression and to assemble.

161. BAXTER breached his duty to Plaintiff and other protesters by implementing a protest response plan that conflated peaceful protests and demonstrations with violent mobs and riots; thus, BAXTER knew or should have known that in the absence of a proper protest response plan, his Sheriff's Deputies would use unreasonable and excessive force against peaceful demonstrators, like Plaintiff.

162. BAXTER breached his duty to Plaintiff and other protesters by implementing a protest response plan that instructed his Sheriff's Deputies to use chemical weapons against protesters; however, based on national news reports in the months before the September protests,

BAXTER knew or should have known that exposure to chemical weapons such as pepper balls, tear gas and OC spray can cause serious adverse health effects, including menstrual irregularities.

163. BAXTER breached his duty to keep demonstrators safe by, among other things, implementing a protest response plan that instructed his Sheriff's Deputies to police peaceful demonstrations in the same manner as they would police violent mobs.

164. BAXTER breached his duty to keep demonstrators safe by, among other things, implementing a protest response plan that instructed his Sheriff's Deputies to use chemical weapons indiscriminately against protesters.

165. BAXTER breached his duty to keep demonstrators safe by, among other things, implementing a protest response plan that instructed his Sheriff's Deputies to that they could shoot pepper balls and other "less-than-lethal" projectiles at protesters' heads.

166. BAXTER breached his duty to keep demonstrators safe by, among other things, implementing a protest response plan that instructed his Sheriff's Deputies to use "less-than-lethal" weapons and chemical weapons against "groups" of protesters based on perceived "group conduct", without making any individualized determination that they were legally justified to use force against any individual in the perceived "group."

167. Plaintiff's injuries were a direct and proximate result BAXTER negligently planning the response to the protests.

168. As a result of the foregoing, Plaintiff suffered injuries and damages.

#### **ELEVENTH CLAIM FOR RELIEF**

#### **Negligent Training, Supervision and Discipline**

#### **(Against the CITY)**

169. All preceding and subsequent paragraphs are incorporated by reference.

170. The CITY and RPD were negligent in the training, supervision and discipline of the RPD officers, who were provided, upon information and belief, no training for policing protests, engaging in peaceful crowd control, or how to properly and safely use the “less lethal” weapons.

171. Alternatively, the training the CITY provided to the RPD officers was inadequate.

172. Moreover, despite their use of extreme and excessive violence against protesters on September 2-6, 2020, the CITY was negligent in failing to supervise or discipline any of the RPD officers related to any force used protesters on those nights prior to Plaintiff’s injury. The City’s negligence was the direct and proximate cause of Plaintiff’s injuries.

173. As a result of the foregoing, Plaintiff suffered injuries and damages.

#### **TWELFTH CLAIM FOR RELIEF**

##### **Negligent Planning of the Protest Response**

##### **(Against the CITY)**

174. All preceding and subsequent paragraphs are incorporated by reference.

175. The CITY and RPD were negligent in planning the response to the protests.

176. The CITY had a special duty to ensure that the rights of Plaintiff and other protesters to free speech, expression and to assemble under Article I, section 8 of the New York State Constitution were not violated, and that protesters were not assaulted, battered, subjected to excessive force and/or falsely arrested by law enforcement.

177. For months before the body worn camera video of RPD officers brutally killing Daniel Prude was released, the CITY and RPD anticipated and planned for large-scale protests when the video was eventually released. During those several months—from at least June 4, 2020 to September 2, 2020—the CITY and RPD developed a protest response plan that included responding to peaceful protests with extreme violence; using military-grade weapons against

protesters; using overwhelming amounts of chemical weapons against groups of protesters, without making individualized determinations that probable cause existed to believe that any individual within the group had committed a crime or violation; and otherwise to retaliate against protesters based on their objection to the message protesters were expressing.

178. The CITY and RPD breached its duty to Plaintiff and other protesters by failing to implement any plan whatsoever for how to ensure that RPD officers protected and promoted protesters rights to free speech, expression and to assemble under Article I, section 8 of the New York State Constitution, and the New York Right to Monitor Act.

179. The City and RPD breached its duty to keep demonstrators safe by, among other things, implementing a protest response plan that instructed RPD officers that Black Lives Matter protests are led by a nationwide conspiracy of outside agitators bent on violence; this manifested in the training of RPD officers that what seem to be peaceful demonstrators are a shield deliberately sent to the front lines to screen the throwing of objects from the rear. That training conveniently justifies and encourages suppressing all protestors by collectively punishing nonviolent ones. The message to their officers was clear: there is no such thing as a peaceful protestor.

180. The CITY and RPD breached its duty to Plaintiff and other protesters by implementing a protest response plan that affirmatively violated protesters' rights to free speech, expression and to assemble under Article I, section 8 of the New York State Constitution, and the New York Right to Monitor Act.

181. The CITY and RPD breached its duty to Plaintiff and other protesters by implementing a protest response plan that instructed its officers to use extreme violence, militarized police tactics, military-grade weapons, and chemical weapons against protesters.

182. The CITY knew or should have known that its protest plan was unlawful and that implementation of its plan would cause protesters rights to free speech, expression and to assemble under Article I, section 8 of the New York State Constitution to be violated; and that RPD officers and other law enforcement officers would cause serious injuries to protesters.

183. The CITY and RPD knew that at past protests, numerous RPD officers had seriously injured peaceful demonstrators; and that in the absence of a proper protest response plan, RPD officers would use unreasonable and excessive force against peaceful demonstrators and falsely arrest them.

184. The CITY knew or should have known that exposure to chemical weapons such as pepper balls, tear gas and OC spray can cause serious adverse health effects—as same had been widely reported around the county in the months prior to the RPD’s use of said chemical weapons in September 2020.

185. The CITY breached his duty to keep demonstrators safe by, among other things, failing to implement a lawful protest response plan, and instead training RPD officers to police peaceful demonstrations in the same manner as they would police violent mobs or riots.

186. The CITY breached its duty to keep demonstrators safe by implementing a protest response plan which, among other things, instructed RPD officers to use chemical weapons against protesters in the absence of individualized probable cause – despite knowing of the serious adverse health effects such chemical weapons would cause.

187. The CITY breached its duty to keep demonstrators safe by, among other things, implementing a protest response plan that instructed RPD officers to use “less-than-lethal” weapons and chemical weapons against “groups” of protesters based on perceived “group

conduct”, without making any individualized determination that they were legally justified to use force against any individual in the perceived “group.”

188. The CITY breached his duty to keep demonstrators safe by, among other things, implementing a protest response plan that failed to properly instruct RPD officers on their duty to intervene to prevent the violation of protesters rights by other RPD officers, Sheriff’s Deputies, and/or other law enforcement officials.

189. The CITY breached his duty to keep demonstrators safe by implementing a protest response plan that caused the violation of Plaintiff’s rights in all other ways detailed herein.

190. Plaintiff’s injuries were a direct and proximate result of the CITY’s implementation of its negligent a protest response plan.

191. As a result of the foregoing, Plaintiff suffered injuries and damages.

### **THIRTEENTH CLAIM FOR RELIEF**

#### **Negligence**

#### **(Against the Individual Defendants)**

192. All preceding and subsequent paragraphs are incorporated by reference.

193. The Defendant RPD officers and Sheriff’s Deputies, their agents, servants, employees, officers and deputies were negligent using the “less lethal” military grade weapons and chemical weapons against Plaintiff, which was the direct and proximate cause of Plaintiff’s injuries.

194. The Defendant RPD officers and Sheriff’s Deputies had a duty to permit the protesters to engage in First Amendment Activities and to protect them from harm or physical violence.

195. The Defendant RPD officers and Sheriff's Deputies had a duty to not use force against any individual protester in the absence of individualized cause or legal justification for the use of force.

196. The Defendant RPD officers and Sheriff's Deputies breached that duty by firing "less lethal" munitions and chemical weapons into "groups" of protesters based on perceived "group conduct," without making any individualized determination that they were legally justified to use force against any individual in the perceived "group."

197. The breach of that duty by the Defendant RPD officers and Sheriff's Deputies was the direct and proximate cause of Plaintiff's serious injuries described herein.

198. Defendant RPD officers and/or Sheriff's Deputies' actions were willful, malicious, oppressive, and/or reckless, and was of such a nature that punitive damages should be imposed.

199. As a result of the foregoing, Plaintiff suffered injuries and damages.

WHEREFORE and in light of the foregoing, Plaintiff demands judgment on all claims for relief:

- a. Empanel a jury;
- b. Award compensatory and punitive damages;
- c. The Plaintiff demands the foregoing relief jointly and severally against all of the defendants in an amount in excess of the jurisdiction of all lower Courts, except that the punitive damages demands are, as a matter of law, not recoverable against a municipality and therefore are not made against the City;
- d. Award Plaintiff reasonable attorney's fees and costs, and interest pursuant to 42 U.S.C. § 1988; and

- e. Such other and further relief as the court may deem just and proper.
